Photoshop

EDUCATION

MBA, Business Analytics
Southern New Hampshire University
Apr 2023 - Nov 2024

BSc, Computer Science
Olabisi Onabanjo University
Ago Iwoye, Nigeria
Feb 2005 - Oct 2010

AFFILIATION

National Society of Leadership and Success

EXPERIENCE

JPMorgan Chase

Plano, TX · Jun 2022 - Present

Vice President, Innovation & Design Operations

Sep 2025 - Present

- Design enterprise risk experiences from requirements and user flows through wireframes, high-fidelity interfaces, prototypes, and implementation reviews.
- Translate complex financial data into clear dashboards, navigation, and workflows that support analysis and task completion.
- Use research, usability testing, and stakeholder feedback to identify friction and refine design decisions.
- Partner with product and engineering to define requirements, evaluate feasibility, and deliver accessible, consistent experiences.
- Create reusable components, interaction patterns, and design system guidance across risk products.
- Use Figma, React, and AI-assisted prototyping to validate interactions through the Cross-Risk UX (CRUX) Innovation Lab.

Vice President, Content & Design

Oct 2023 - Sep 2025

- Designed financial product experiences using research, usability testing, user flows, wireframes, and interactive prototypes.
- Partnered on requirements and roadmaps; contributed accessible components and consistent interaction patterns to the design system.

Senior UI/UX Designer, Credit Risk

Jun 2022 - Oct 2023

- Designed credit risk workflows and data-heavy interfaces, translating requirements into user flows, wireframes, and prototypes.
- Collaborated with product and engineering to refine behavior and support accessible, consistent experiences.

ADDITIONAL EXPERIENCE

UI/UX Designer · Photon Infotech
Apr 2021 - Jun 2022

Designed web and mobile interfaces; refined responsive behavior and accessibility with developers. Presented research and evaluated design alternatives.

Product Designer · Dms Smith · Lebanon, IN
Mar 2020 - Apr 2021

Created print layouts and supported branding, photography, and video projects with marketing and production.

UI/UX Designer · United Bank for Africa · Lagos, Nigeria
Feb 2013 - Aug 2016

Created banking user flows, wireframes, and prototypes; used usability feedback to improve navigation and responsive interfaces.

UI/UX Designer · Freelance
Sep 2008 - 2013

Designed user flows, prototypes, style guides, and reusable patterns; improved usability and brand consistency across client projects.
